AT TENNESSEE

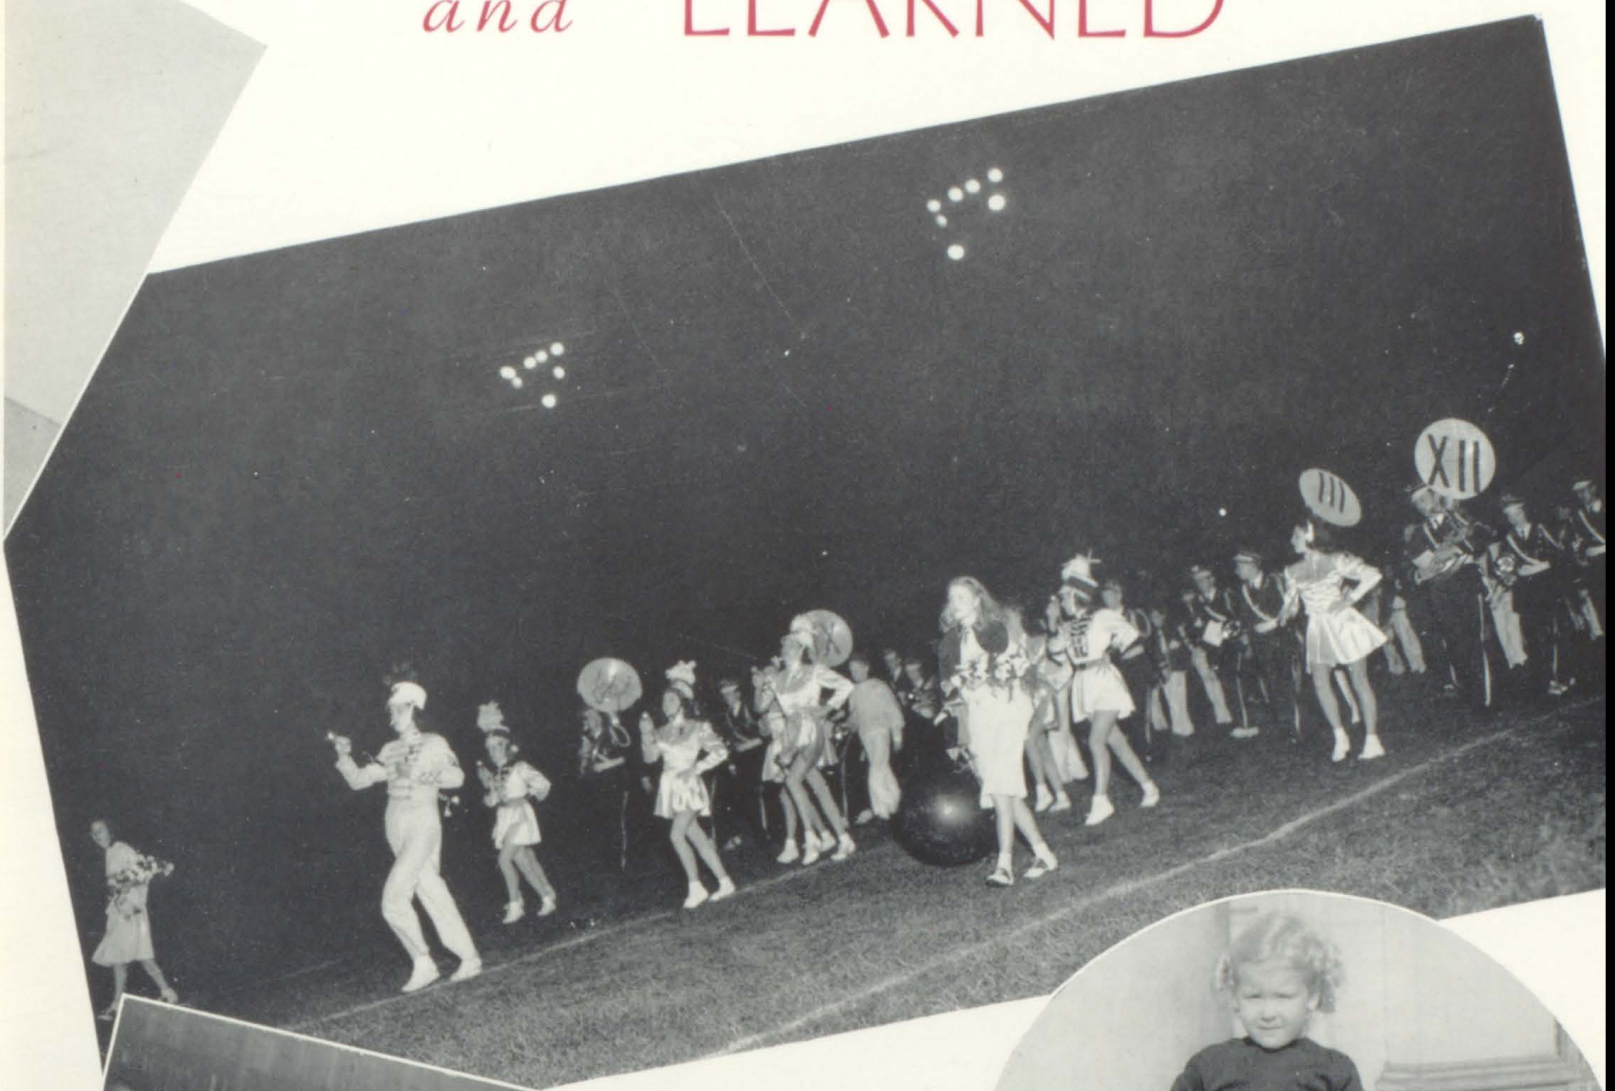
HIGH SCHOOL

September found students, faculty, and citizens planning a full program to maintain the American way of life at Bristol Tennessee High School.

Each member of the student body proudly assumed his responsibilities and determined to make the year 1946-1947 one long to be remembered as we "lived, laughed, and learned."

Here We

LIVED, LAUGHED . . .
and LEARNED



Dedication

To

MR. W. EARL PENLEY

Mr. Penley, one of the staunchest friends that we have ever known, has most generously lent his financial and moral support to the promotion of good citizenship and better sportsmanship. It has been through his patient understanding and co-operation that the Tennessee High Vikings have been able to keep many important engagements.

Mr. Penley has served Bristolians most faithfully as owner and manager of the Yellow Coach Company. He is President of the Kiwanis Club and a member of the Elks, Moose, and Masonic Clubs of Bristol. He is also a member of the Chamber of Commerce, on the Board of Directors of the Y. M. C. A., and an active member of the First Christian Church.

In appreciation of his service and friendship to every girl and boy in Tennessee High School, we lovingly dedicate to Mr. Earl Penley the 1947 CADMEA.

We Honor Our

These were honored in their generations,

MAYOR FREDERIC VICTOR VANCE

A native of Bristol, Tennessee, Mr. Vance attended Tennessee High School, King College, and Hampden-Sydney College. He served for a number of years as a member of the Board of Education and is now in his eighteenth year as mayor. He is an active member of the Hackler-Wood Post American Legion and a member of the "40 and 8", having been in the U. S. Navy in World War I. He belongs to the Masons, Elks, Rotary Club, United Commercial Travelers and the Central Presbyterian Church. Mr. Vance is a Director of the Chamber of Commerce, a member of the Salvation Army Advisory Board, and a member of the City Planning Commission.

DELLE DULANEY SMITH

Miss Smith, a graduate of Tennessee High School, was historian of her class. She earned her B.S. degree at the University of Tennessee then did graduate work at Columbia University, majoring in history. One of the most delightful experiences of her college career was collecting material for her thesis, "The Public and Private Career of William T. Blount." We honor our friend and advisor, this beloved teacher of Biology and Chemistry at Tennessee High School.

REVELEY OWEN

Beloved Mathematics Teacher and Senior Class Sponsor
Graduate of Bristol Tennessee High School
and Emory & Henry College

We would for many a deed in kindness wrought
Our gratitude express;
And though at times we heedless seem
We now confess
That her unfailing gentle courtesy
Has soothed our way
O'er many a stormy path and brought us light
On many a dreary day.
And since the time has come for us to leave
This dear old place
We take with us, each in his utmost heart,
Her smiling face.

Alumni and Friends

and were the glory of the times.

DR. NAT H. COPENHAVER

Dr. Nat H. Copenhaver, a native of Sullivan County, Tennessee, graduated from Tennessee High School in 1907. A graduate of Roanoke College, he earned his M.A. and M.D. degrees at Yale, and his M.S. in Surgery at the Mayo Foundation, University of Minnesota. An active Rotarian, Mason, and Elk, he has served as State Commander and on the National Executive Committee and is at present a member of the National Boys' State Committee and National Medical Advisors' Committee of American Legion. He is also President of the local Bi-County Medical Society and member of the State Public Health Council and is active in the State Street Methodist Church. Dr. Copenhaver was a First Lieutenant in the Medical Corps during World War I, and during World War II served on the Sullivan County Examining Board and as chairman of the Sullivan County War Bond Committee. His hobbies are farming, purebred white-faced cattle, hunting and bird dogs. His major interest is the welfare of Bristol's youth.

MRS. J. L. McCORD

Chairman of the Bristol, Tennessee Board of Education

Mrs. J. L. McCord has a sincere interest in the development of Bristol. Her earliest ambition was to teach school and she has never ceased to be interested in schools, teaching, or teachers. After graduating from high school in Marietta, Georgia, she further extended her formal education to Draughon's College, Atlanta, until her marriage. For many years religious education has been her major interest; but she is also active in Parent-Teacher work, the Bristol Music Club, the New Era Club, the Holston Garden Club, the League of Women Voters, and the American Legion Auxiliary. As a member of the Board of Education she has given unstintedly of her talents and time for the advancement of our schools. Mrs. McCord, the Cadmus Club salutes you!

GEORGE M. KING TROPHY

The George M. King Trophy is awarded to the best all-around athlete each year for sportsmanship on and off field and floor. The winner must be eligible scholastically for the entire school year. This athlete is judged by five men known only to Mr. King who confer with the school administrators and coaches. The award is endowed and will continue to be one of the most coveted trophies at Tennessee High School.

Mr. King graduated from Tennessee High School in 1913. He participated in and was outstanding in all sports offered at that time. In 1918 he graduated from Davidson College and won the coveted honor of All-Southern End, after which he served in World War I in the U. S. Navy. He is an active member of the First Presbyterian Church. His present interests are his church, the Kiwanis Club, all phases of civic advancement and the welfare of boys.

MRS. W. RILEY STONE

And her immortal part with angels lives.

BORN AT BLUFF CITY, TENNESSEE
DIED DEC. 18, 1946, BRISTOL, TENNESSEE

We revere the memory of Mrs. W. Riley Stone, whose deep interest in educational, religious, and civic enterprises exerted great influence in our city.

Ida Bell Vance graduated from Bristol Tennessee High School in 1900 as Valedictorian of her class. She was active in P.T.A., serving terms as President of the high school P.T.A. and of the P.T.A. Council. The first volume of the CADMEA (1921-22) was dedicated to her. She served for a number of years as Chairman of the Bristol, Tennessee School Board and at her death was a member of the Tennessee State Board of Education.

Her slogan was, "May our schools always be the dominant, intelligent interest of the citizens of Bristol", and she lent her talent, effort, and time to that cause. As a result our school system reached the high standards for which it is recognized today. Friend of all young people and of each teacher, Mrs. Stone was an inspiration to all who knew her and was dearly beloved by all.

In Memoriam

MR. FRED E. SMITH

To live in hearts we leave behind
Is not to die.

BORN AT CHURCH HILL, TENNESSEE
DIED JAN. 29, 1947, BRISTOL, TENNESSEE

Mr. Fred E. Smith, one of Bristol's best known residents, will long be remembered for his leadership in religious and civic affairs and for his love of young people generally.

Mr. Smith, secretary-treasurer of the Bristol, Tennessee School Board at the time of his death, had long been interested in the youth and schools of Bristol, Tennessee. A graduate of our high school in the class of 1906, he was active in sports and all other activities; he kept this interest always, being a friend to teacher, pupil, and administration. His four children, Dana Smith Shipley, June Smith Esser, Martha Smith, and Judy Smith McIver are all graduates of this, his Alma Mater, which he loved and for which he labored unceasingly.

In Memoriam

DAVID DUNCAN ADKISSON

So brief his time, he scarcely knew,
The meaning of a sigh.

MARCH 12, 1941, NASHVILLE, TENNESSEE JANUARY 15, 1947, BRISTOL, TENNESSEE

David attended Sunday School at the First Baptist Church and the Church of Christ and was a regular attendant at the First Presbyterian Church Kindergarten. David's shining eyes and friendly personality made him well liked by all the children of the kindergarten. He was a delight to his teachers because he was always interested in many different activities. David possessed a vivid imagination; he was always singing a song, making up his own words as he went along. David especially enjoyed marching to music. His leadership ability was soon recognized; he directed all play activity and the children came to expect this of him. David is still remembered by all the children and adults whom he met and will long be remembered and loved as a fine, sweet little fellow with a cheery disposition. There is a sadness when a little child dies, but there is something else too—a child sees spiritual things clearer than we do and without our sophistication. Jesus said we would have to be like children if we want to get to heaven and there is a verse about heaven which says, "And children shall play in streets thereof."

Ode To Seniors

Your life lies out before you,
    Like a field of untrodden snow;
Be careful how you tread it,
    For every step will show.

Be careful when traveling life's road,
    Go not too fast, nor too slow;
Keep the straight and narrow way,
    For every step will show.

What you are is up to you,
    And you alone are the one to know;
So live your life as you see fit,
    For every step will show.

Now you are ready to get started,
    From school and classmates you'll be parted;
But remember, Seniors, where e'er you go,
    That every step will show.

Juniors

Juniors!

And how we love that name!
But though we are part upperclass
Our hearts remain the same.

Juniors!

Responsible but unafraid
And soon we will be Seniors.
And again we'll make the grade.

Juniors!

School's taught us not to fear.
And some day we'll look back and see
The days we hold so dear.

Juniors!

With all life's ebb and flow—
We'll carry this school's ideals high
Where ever we may go.

Poems from the Sophomores

BE A MAN

Be honest,
Be kind,
Be faithful,
Be true.
Do unto others as you would have them do unto you.
Stand up, in these true qualities of man,
And show unto others that you are worthy to stand!

—Colleen Hancock

FRIENDS

What is there in each daily chore
That brings to each a joyful song?
Perhaps it seems so small; but strong
Are friends both good and true who soar.

—Helen Miller

LATIN

I know that I shall never rest,
Until I take that Latin test.
I crammed and crammed, 'til twelve o'clock,
Now that would give Miss West a shock.
All Latin verbs, pronouns, and nouns—
In my poor mind they swim around.
I near dear old Latin room
My hands as cold as is a tomb.
My Caesar, Vergil, and the like,
Fade from my mind; it is a sight.
My grade is low as low can be,
So don't take Latin, thus you see.

—Betty Mason

LIMERICKS

There's a guy here at Tennessee High,
In the clubs and the grades he is high.
He's as cute as can be,
And he's handsome to me.
Down the hall, there he goes! I must sigh.

—Martha Henritze

An old man who once lived in the hills,
Which was full of deep gulleys and rills,
Said, "I'll never fall down;
Never burst my poor crown,"
But he did and was forced to take pills.

THE MID-TERM HONOR ROLL

The thirst to know and understand,
A large and liberal discontent;
These are the goods in life's rich hand,
The things that are more excellent.

To earn a place on the Honor Roll is one of the outstanding scholastic honors of the year. This group is made up of all students who have a term average of ninety or above in each subject. We congratulate these students upon their attainment.

Every Age Hath Its Book

The Cadmus Club was founded in 1915, jointly with the *Maroon and White*. It became a separate club in 1921 and was named the "Cadmus Club". It has always been an honor to be elected a member of the club and an outstanding honor to be selected for the editorial and business staffs. Membership in the club is based on scholarship, dependability, and literary interest. The experience gained by working in this organization has led to many careers in the publishing field for many past members. The 1946 Cadmea won an All-American N.S.P.A. rating and the 1947 yearbook will be entered at Washington and Lee University at the annual Southern Interscholastic Press Association meeting.

Editor-in-Chief

DORIS CLARDY
Business Manager

The *Maroon and White* was founded in 1915 and has become an outstanding feature of high school life. Its aim is to give the students a view of worthy school news, sports, and features. Requirements for all staff members are willingness to work, school spirit, and journalistic ability. It has always been an honor to become a member of this outstanding organization.

I Have Wonderful News To Tell

"When is the paper coming out?" This is the question asked the student journalists each month before the *Maroon and White* is due. After all the ups and downs of getting in assignments on time and worrying about the printer, the paper makes an appearance to the students once a month giving them a clear-cut picture of high school activities.

The Boys' Hi-Y Club is the oldest boys' organization in Tennessee High School. Our full name is High School Young Men's Christian Association. Our club was organized by the Y. M. C. A. over twenty-five years ago and now the majority of the high schools in the United States have a Hi-Y club in them. The motto of our club is "Clean Living, Clean Speech, Clean Athletics, and Clean Scholarship." During the school year we try to help school citizenship and school spirit in every way possible and we also try to sponsor some worthy project. We have presented the school with a state flag of Tennessee and we have sold Viking stickers that we might adopt a Santa Pal family at Christmas time. We have had many outings and social events to help make the school year more enjoyable and at the end of the year we shall have our annual banquet.

The Phi Beta was organized for the purpose of establishing Christian fellowship among the members. All interested girls in the Junior and Senior classes are eligible for membership in the Phi Beta.

Among the many interesting projects of the Phi Beta girls in 1946-1947 was the taking of two orphans to care for. There have been several social meetings during the year which help enrich and develop the character of Phi Beta members.

The Quattour Signa Tri-Hi-Y Chapter was organized in October, 1943, when the Tri-Hi-Y membership became so large that it was necessary to form two chapters in addition to the original Alpha Chapter. The Latin name Quattour (four) and Signa (symbols or standards) was selected by the charter members of the chapter as a result of their consideration of the following standards by which the members pledged to live: clean sportsmanship, clean scholarship, clean speech, and clean living.

The presentation at Easter of the sacred drama, "The Challenge of the Cross", by the combined membership of the chapters is becoming a beloved tradition of Tennessee High School.

To study the language and Spanish people is the purpose of the Spanish Club. Reading Spanish periodicals, Spanish newspapers, Spanish literature and seeing Spanish films help each member to achieve this purpose. This year members have corresponded with students in Central and South America increasing this interest. Bi-weekly attractive programs are presented by our own members which add enjoyment to the daily school work. One of the highlights of the year is the annual banquet which each member looks forward to and thoroughly enjoys.

The Alchemist Clubs were organized in 1931 by Miss Delle Smith, the present sponsor. The membership has grown from 12 to 46. We took our name from the old alchemists who were always trying to find out new things. Our object is to bring in new ideas through speakers, experiments, biographies of the great chemists, and other things which we do not have time for in the regular class period. This year we hope to present in the auditorium the life of the great chemist, Lovoisier.

Activities

At the beginning of the school year in 1946 Tennessee High School inaugurated a new activity program. Thirty-minute periods were set aside every Thursday for the various club meetings. By this plan much extra-curricular club work was transferred to such meetings held between the second and third periods.

Each student in school may belong to the two clubs of his choice, providing they meet on alternate Thursdays. Each member of the faculty, if he so desires, may sponsor two clubs, each meeting on an alternate Thursday.

Club programs and activities this year have been given the added incentive of meeting during school hours. In such school-time meetings, an emphasis is placed on a closer relationship between teacher and student.

Many new clubs have been organized in Tennessee High this year. Among them are the Book Club, the Handicraft Club, the Ta-Wa-Si Club, the Senior Thespians, the Maroon Masquers, and other dramatics clubs.

One new club this year is the Bristol Key Club, a club sponsored by the Kiwanis Club and composed of boys from both Virginia High and Tennessee High. This club was organized too late to be pictured in the 1947 annual, but the following were elected as officers:

George R. Peters	*President*	Tennessee High School
George L. Hamrick	*Vice-President*	Virginia High School
Milton Leonard	*Secretary*	Tennessee High School
Roscoe Harrison	*Treasurer*	Virginia High School

This new program is meeting with great success and enthusiasm and has the wholehearted approval of both teachers and students.

In all time of our distress,
And in our triumph too,
The game is more than the
player of the game.

Coaches
S. Boretsky, R. Smith

Coach Rupert Smith piloted the 1946 basketball team, long to be remembered for its standout team-play and sportsmanship, in an exceptionally successful season. Coach Boretsky's Junior Vikings provided thrilling games as curtain-raisers to the main events.

Peden Templeton and Gene Felty divided honors as Acting Captains of the Tennessee Vikings.

BASKETBALL RESUME

Basketball this season came to the front. The Vikings played a tough regular season schedule of 20 games and three tournament games with the best rated teams in East Tennessee and won 19 of these. Tennessee ranked second in the Big Five Conference and retained the City Championship by defeating Virginia High in two outstanding games. In games won and lost the Vikings were among the first five in the state. Four of the regulars, Templeton, Bourne, Garrison and Nickels will be back to set the pace in this section next year.

In the 15th District Tournament, Tennessee won games from Sullivan and Holston Valley but were defeated by Kingsport in the finals. Outstanding in these tournament games were Felty and Templeton.

At the end of the Big Five basketball season, Nickels and Templeton were voted places on the First Team of the Big Five Conference by coaches and sports writers. Gene Felty was placed on the second team with honorable mention going to Manuel Garrison and Jimmy Bourne.

ATHLETIC RESUME

GENERAL ATHLETICS

Athletics play a major part in the wholesome, all-round development of the students of Tennessee High School. From the time of the first football practice period in the fall to the time when the last track and baseball suit is turned in in the spring, these men give their skill and ability in developing winning teams for Tennessee High.

The athletic program is very important in every school and Tennessee High is one of the leaders of this section in that respect.

FOOTBALL

Participating in a strenuous ten-game schedule that did not allow a single let-up, the Vikings won only three and tied one of its contests. After winning the first game of the season from Rule 13-12 the Vikings dropped a hard fought game to Morristown. The following week the locals lost to a powerful team from Maryville.

On the two succeeding week-ends the Vikings fought their way to victories over T. S. D. and Johnson City. The strain of heavy competition and the loss of Templeton in the beginning of the Elizabethton game began to tell, however, and the Vikings lost four in a row.

After suffering these crushing defeats, the Vikings held the favored Virginia team to a scoreless tie, making 23 first downs to the opponent's 3 and outplaying them in all departments except the score.

Sixteen of twenty-one lettermen will return next fall for a team that should be one of the best.

1946 BASEBALL

The Vikings baseball team finished the 1946 season by capturing the Big Five Championship going the entire season undefeated. This team defeated Virginia High twice, Kingsport twice, Elizabethton twice, Erwin twice, and Johnson City once. The last game with Johnson City was not played due to wet grounds. The pitching of Boaz, Burnette, and Loving and the hitting of Neal, Pippin, and Newsome helped to carry the Vikings to victory.

1946 TRACK

The 1946 track season at Tennessee High was one of the best in recent years, placing second in the Big Five meet at Johnson City and third in the East Tennessee track meet at Knoxville. One of the outstanding performances in the Tennessee team was given by the half-mile relay team which won in the East Tennessee meet. Joe Richards won first place shot-put in the Big Five meet at Johnson City and first place in the East Tennessee meet at Knoxville. B. Pippin, J. Richards, J. Ely, S. Olson, B. Poole, R. Brake, D. Donaldson, P. Templeton, D. O'Dell, R. Oliver, B. Millard, and H. Haynes all turned in fine performances throughout the season.

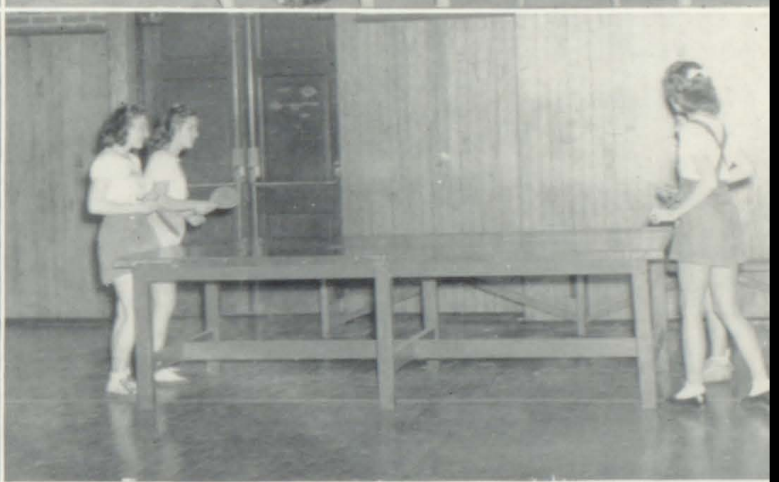
Among the outstanding girls' sports at Tennessee High and one in which all may compete is the foul-pitching tournament. Tournaments are also held for the girls in volley-ball, ping pong, basketball, and baseball.

Other activities included in the athletics program for girls are folk rhythms, tap-dancing, paddle badminton, deck tennis, and the minor sports of bowling and tinikoits. The department provides an active and an inactive program so that all girls will be able to participate in physical education without injury to their health.



There are many ways to fame.

CHORUS

The Girls' Chorus of Tennessee High School w as organized early in the fall of 1946 and has for its aim the singing of worthwhile music from desire rather than compulsion. This organization meets two afternoons a week after school hours; the participants receive no academic credit for appearing in the Chorus.

The Chorus appeared in public at the Christmas program presented by the Music Department and plans to broadcast from two of the local radio stations in the near future and to enter the State Competitive Festival in April. In May the Chorus will present a concert for the benefit of the Uniform Fund for the Band.

The following students appeared in the East Tennessee Vocal Clinic held in Johnson City in February: Katherine Anderson, Jackie Coulson, Betty Easley, Peggy Eyler, Kay Glavin, Ruth Harkrader, Florence Smith, Laverne Thompson, Peggy Young, and James Williamson.

MRS. GILBERT T. SAETRE

Alma Myers Saetre, native of New Oxford, Pennsylvania, is a graduate of Susquehanna University Conservatory of Music. Graduate study was done at New York University where she appeared as soloist with the Symphonic Band. While in Louisiana Mrs. Saetre served as Director of Girls' Chorus for Saint Mary's School and parish supervisor. Since coming to Bristol in August Mrs. Saetre has appeared as soloist at many of the churches and was soprano soloist for the *Messiah*. Mrs. Saetre now directs the Childrens' Choir at Emmanuel Episcopal Church. She is a member of Sigma Alpha Iota National Honorary Music Fraternity for Women and of the Bristol Music Club.

The Mixed Chorus

Newly organized at Tennessee High School this year, the Mixed Chorus has brought beauty and pleasure to us all in its songs. Mr. Saetre and the members are to be congratulated on the great progress they have made. The Chorus is prominent in the school and extremely popular. Let's have more concerts by our Mixed Chorus.

The Concert Band

THE MARCHING BAND

It was deemed advisable by the authorities to combine the Junior and Senior High School Bands for the football season. Therefore it became possible to put out on the field for "show" purposes some one hundred and two people including majorettes and color guard. Next year the picture will be increased by the use of the Maroon Jackets who have formed themselves into a Swiss Flag Swinging and Twirling group.

THE CONCERT BAND

As soon as football season was over, the two bands were separated and concert organizations formed. Several of our people participated in a band clinic at Maryville, an all-State Band in Nashville, and all-Southern Orchestra in Birmingham. Our big work this year was a promotional campaign to raise some $6,000 for new uniforms. This was accomplished by receipts from the Tennessee vs. Kingsport basketball game, a Band concert, a Junior High concert, a Chorus concert and a concert by the Bristol String Quartet of which Mr. Saetre is a member. The Band also won high honors at the Johnson City Contest in April.

GILBERT T. SAETRE

Mr. Saetre after graduate study in Higher Education, New York University and Juilliard School of Music made an enviable record as violinist, cellist, bandmaster, conductor, and composer while Director of Music at N. E. Junior High School, Reading, Penn., 1928-29, and Assistant Professor of Instrumental Music, Northwestern State College, Natchitoches, La., 1930-1946. He has been District, State, and National Adjudicator since 1937, State P. T. A. Music Chairman in Louisiana, 1943-1946, and Region VII Band Chairman, 1944-45. He is a member of Phi Mu Alpha, Sinfonia—Gamma Rho Chapter, E T E A, T E A, N E A, E T B & O Association, E T V Association, M E N C, and A A U P and has professionally participated in symphony orchestras, ensembles, dance, and theatre work in Connecticut, Pennsylvania, Texas, Louisiana, and New York. He has contributed professional articles in "The School Musician", "The Louisiana Musician", "Mississippi Notes", and "L T A Journal". His professional music writing includes nine marches for band, a Tuba solo, and other instrumental numbers.

SPORTSMANSHIP TROPHY

For when the One Great Scorer comes to write against your name,
He marks—not that you won or lost—but how you played the game!

—GRANTLAND RICE

Bristol Tennessee High School and the citizens of Bristol have won the Sportsmanship Trophy in football for the 1946 season. The trophy is presented annually by the Officials' Conference to that school in East Tennessee which is superior in sportsmanship, but the school alone cannot win the trophy.

After each football game, the four officials of the games prepare cards on which they disclose their estimates of the sportsmanship of the coach, the team, and the spectators. When Tennessee High plays away from Bristol, estimates are given on the sportsmanship of coach and team. At the end of the season, Mr. S. D. Jackson, a friend of high school athletes and a sponsor of good sportsmanship programs, designates a committee to study the reports and declare the winner. Frequently team and coach have clear records smirched by thoughtless conduct of fans. It follows without question then that patrons and friends of Tennessee High have immeasurably helped us to win the trophy. To these friends we say, "Thank you."

Why such an award? About nineteen years ago, a group of friends of high school athletics sensed a need for the improvement of conduct at our football games. These friends arranged for a trophy. Since that day, they have seen a constant strengthening of friendly athletic relations in our area, a section of the state which has never been disciplined by the T. S. S. A. A. Board of Control.

We are proud of our school, our team, and our spectators. Our resolve should be: Win the Sportsmanship Trophy in 1947.

SEPTEMBER

3—The screaking of rusty hinges sounded as T.H.S. opened her doors once more, and just when we were beginning to enjoy ourselves.

4—Beware Freshmen! Don't say we didn't warn you.

6—First Pep Meeting! Wow! those cheerleaders! No wonder we beat Rule.

10—What's the matter, Mr. Campbell? Is T. H. S. getting you down already? Can't you take these shining examples of puppy-love in the hall?

13—O. K. So what! Morristown beat us one point.

14—Hold your hats and keep your seats! Hi-Y boys initiation starts today.

18—There's a Hi-Y outing rumored, so step right up girls! Get a date.

25—Student Body elections. "I'll vote for you if you'll vote for me."

4—"A woman's advice is not worth much, but he who does not heed it is a fool." I knew I should have studied for that test.

8—The first *Maroon and White* made its appearance at the school.

11—We beat Johnson City 14 to 6.

12—What has happened to the Civitans? There's another Hi-Y outing tonight.

14—Pictures for the CADMEA started today. "Well, really if you say so but I think I looked more glamourous the other way."

15—Gee! I like these Activity Periods. Now I can go to Trayer's in the afternoon instead of Hi-Y.

18—Oh-hum, just another Elizabethton game—we got beat 31 to 0.

25—Erwin vs. T. H. S. You guessed it. Erwin 7—T. H. S. 0.

31—Halloween! The witches sure got us! (Kingsport, that is, 52-0.)

NOVEMBER

1—No school 'cause the teachers took off to a teachers' meeting at Knoxville. Here's for bigger and better ones (meetings—not teachers! !)

4—Back to school again after a three-day vacation! These vacations do something to me; I can't even hold my eyes open.

7—Swoon! Isn't Imre Kovach wonderful?

13—We really like those joint Pep Meetings.

15—Va.-Tenn. game 0-0. What about all of those girls in slacks? Pretty cute, huh? But really, Vandervort, you in a skirt?

18—Here we go again—six weeks' tests. "Miss Hawkins, may I have a withdrawal? I'm ill."

22—Must be wonderful to have a man! 'Specially a football player so you can go to those wonderful banquets.

25—Hoorah! another Hi-Y assembly. Too bad they're not all like that.

28—Thanksgiving Holidays! !

DECEMBER

1—Only twenty more shopping days 'till Christmas.

9—As the holidays approach more students sleep thru more classes.

13—At last! Christmas holidays. Wasn't that band concert wonderful?

JANUARY

2—Regretfully, we put the Christmas tinsel back into the trunk and journey back to classrooms.

3—Honest, Mr. Adkisson, I don't know where my locker is!

16—More students look worried as they walk down the halls. Could they be approaching the end of the term?

27—New term and here I am still in the same grade!

28—The basketball team beats Virginia to the tune of 36-30.

30—A memorable day. We got out of school at 1:15 for a teachers' meeting—we didn't go, naturally.

FEBRUARY

4—We are awarded the Football Sportsmanship Cup for East Tennessee.

13—The Basketball team beats Kingsport for the first time in 8 years. That's what we call a good team!

20—Snow!

21—Oh, for a sight of something besides snow. Has everybody had his X-ray?

24—But every one else gets out of school for such deep snow! Why can't we?

MARCH

1—Whenever we dig out from under all this snow, it will be a spring month.

5—This is the month in which the honor roll has no seniors. What happened, anyhow?

9—Two months and fourteen days until school is out. We count the minutes too! !

12—Today we are assailed by the delicate odor of rotten eggs; but don't get alarmed, it's only the Chemistry class.

13—Mrs. Caldwell believes in an easier language. This is "eeze enuf for anyone", isn't it?

14—CADMEA goes to press!

APRIL

3—Spring fever has set in permanently.

4-7—Easter Vacation!

MAY

CADMEAS! Thank goodness.

9—Senior Play.

25—Baccalaureate.

29—Class Night! Didn't we look nice all dressed up? Those can't be tears that smudge our beauty.

30—At last. Graduation! We're Alumni!

Congratulations

Students of today can face the future with full confidence. Opportunities are at every hand for young men and women who have the ambition and the determination to achieve their goal in life. The whole field of business, the arts and sciences are waiting for well-prepared minds and hands. The Burlington organization is growing, and with expansion comes the need for future leaders with ability and initiative. Here is opportunity for trained young men and women.
